The gentle caress of the Mediterranean climate greatly enhances our Señorío de Iniesta to be a balanced, fresh and elegant wine. You will fall in love with this white wine with its crisp aromas of fresh fruit and balanced acidity. Find your ideal moment to enjoy a glass of Señorío de Iniesta because there is always something to celebrate.

Señorio de Iniesta is from the Denomination of Vino de la Tierra The Mediterranean influence of its earths is a determinant for giving this wine the quality that combines youth and freshness. The abundance of sun, breeze, hills and an annual average temperature of 15 C make the Manchuela area a paradise for the making of fruity wines. For this reason, this wine has achieved many successes both inside and outside our borders, it is one of the Spanish white wines with highest recognition in international markets.

Tasting Notes

This wine is of a straw yellow colour with greenish tones.

Prominent are aromas of fresh fruit such as apple and peach.

Pleasant and fruity on the palate, with excellent balance and good acidity.

Gastronomy

Recommended with all kinds of seafood and fish.
