« More black-fruited than the 2020, the 2019 Chateaneuf du Pape Vieilles Vignes delivers notes of black cherries, dried spices and some chocolaty overtones. Full-bodied, round and velvety in feel, it finishes with decent length and ample concentration.»

« Shy nose, nice mouthfeel and creamy-texture tannins. Chewy dark fruit with dark chocolate and warming alcohol. A hedonistic ripe style ».

« Muscular and generous, showing ripe cherries, spiced berries, dried orange peel and some sweet baking spices. Full-bodied with plush tannins, it's serious and dense with plenty of drive. Refined texture at the center with a long, fleshy finish. Drink or hold.»
